* If the application takes significantly longer than the foreseeable usual time required, we will submit a flat-rate offer for the application before we start our work - any unforeseeable additional work will be charged additionally according to the work involved, after prior notification.		
A 2% presentation commission, non-deductible, is charged on import duties (customs duties and taxes paid).		
We charge 4% finance costs on the total invoice amount, which can be deducted if payment is made within 10 days.		
For new customers we will charge the first 3 shipments on prepayment.
