all tours

Processing
status
(optional)
manually or live from the
driver

Upload delivery
documents

Upload
invoices

Track invoice
status

Your benefits

1. **Open tours at a glance**
2. **Online tour details** (including a stop overview)
3. **Task management** (for outstanding tasks)
helps ensure smooth payment processing
4. **One central communication channel**
for reporting deviations during or after a tour and for exchanging documents
5. **View invoice status**
6. **Keep track of load carriers**
(supporting documents must be uploaded for the relevant tour)

Your company details

(always up to date with self-service)

- **User portal**
User management, including password reset
- **Bank details**
- **Live tracking (optional)**
Driver details for mobile status updates
- **Required company documents:**
 - EU licence
 - Insurance certificate

Required status updates

Choose whether updates are submitted on a PC by the dispatcher or on a mobile device by the driver.
